

JOINT CALL 2019 ON ENERGY STORAGE SOLUTIONS (MICall19)

Dear Colleagues,

It's a pleasure to announce that Mission Innovation (MI), a global initiative of 23 countries and the European Commission under its Joint Programming Platform (JPP) has launched a JOINT CALL 2019 ON ENERGY STORAGE SOLUTIONS (MICall19). Please follow the information given below, the weblink and the attachment to submit proposals to the innovative multilateral call for R&D Projects.

Warm Regards,

Suman Chakraborty

=====

Dear Sir/Madam,

You may be aware that Mission Innovation (MI) is a global initiative of 23 countries and the European Commission (on behalf of the EU) partnering to reinvigorate and accelerate clean energy innovation with the objective of making clean energy more widely affordable and reliable. India is active partner in all the 8 challenges of Mission Innovation.

India in partnership with ERA-Net Smart Energy Systems of European Union under its Joint Programming Platform (JPP) has launched a JOINT CALL 2019 ON ENERGY STORAGE SOLUTIONS (MICall19) on September 18, 2019.

All interested are requested to compulsorily register before deadline of November 12, 2019.

You are requested to disseminate the call the via your channel as you seem fit. e.g.:

Share our LinkedIn post: https://www.linkedin.com/posts/eranet-smartgridsplus_micall19-energystorage-smartgrid-activity-6580119744710496256-wXF3

Share our website with all information including the call text: www.eranet-smartenergysystems.eu/JointCall19 (<http://www.eranet-smartenergysystems.eu/JointCall19>)

A scanned copy of the flyer is also attached with this mail.

Thanking you,

With best regards,

Dr. G V Raghunath Reddy
