

## UKIERI DST Call for Partnership Development Workshp 2019-20

Dear Recipient,

Greetings from UKIERI Secretariat !

Call for 'UKIERI-DST Partnership Development Workshops' is live now!

UKIERI or UK-India Education and Research Initiative with DST (Department of Science & Technology, Government of India) as its key funding partner is offering you and your institution to explore research collaboration with UK universities on 6 thematic areas.

If your university or institution is looking for international reach collaboration especially with UK university, here is your chance to apply for initiating the partnership through Partnership Development Workshop!

UKIERI encourages collaborations between Indian and UK's faculty members and early career researchers in higher education institutions to come together and discuss their research and forge collaborations.

Please refer to the attached brochure and this link to learn more-
